What is Rodizio?

Rodizio is dining like nothing you've tried before. To do it properly, budget an evening (or at least a few hours) and come hungry!

Your barbecue chef of the evening will come around with a massive churrasco-style skewers, each with a tender cut of the day. Meat will be sliced straight onto your plate, and it won't stop until your table turns its card over to display the red side.

Side & Salad Bar

The side and salad bar is a crucial part of the rodizio dining experience.

We offer an extensive selection of hot dishes and salads that perfectly complement your favourite cuts of meat. All sides presented at the salad bar consist of only freshest items sourced locally on a daily basis.
